

“The funding from the Foundation has already made a fantastic impact on the amount of money that we are able to invest back into the club due to increased profits.”

Kevin Fryett
Teesside Athletic Club

Teesside Athletic Football Club

Project:

Ground improvements

Subject:

Facilities

Date of award:

December 2017

Overview:

Teesside Athletic Club received a £5,000 grant for improvements to its ground to enhance the spectator experience and increase the revenue coming into the club.

Improvements have included: providing maximum security by reinstating perimeter fencing destroyed due to vandalism; installing floodlights to hold midweek evening games for the club and other community teams; and acquiring a tuck shop in order to increase profits, which are reinvested in club facilities and equipment for teams of all ages.

Since the improvements were made, the club has seen an increased revenue of over £3,000 in just six months, enabling staff to purchase equipment to continue with its development.
